Our fathers toil with hands and heart

To make our lives complete.

They quietly brave the winter cold,

Endure the summer heat.

Our fathers' lives are busy, but

There's always time for us.

They boldly face the ups and downs

And seldom ever fuss.

Our fathers are the greatest dads.

We know you know this, too.

But thank you for the chance to share

Our love for them with you.

Sunday Chuckle - A father of five children had won a toy at a raffle. He called his kids together to ask which one should have the present. "Who is the most obedient?" he asked. "Who never talks back to mother?" And "Who does everything mother says?" Five small voices replied in unison. "Okay daddy! You get the toy!"
